Master of Business Administration (MBA)

St. Kate's admits MBA students based on a holistic review of their admission files, taking into consideration all aspects of applicants' past accomplishments and future goals to assess the potential for success in the program. A cumulative grade point average (GPA) from the bachelor's degree-granting college or university of 3.0 (B) or higher on a 4.0 scale is preferred, but not required. In addition to providing evidence of completion of a baccalaureate or graduate degree and academic preparedness, an applicant seeking admission into the MBA degree program must provide the following:

- Completed application form.
- Official transcripts from the college or university from which the applicant earned a bachelor's degree and, if applicable, graduate degree.
- Satisfactory Test of English as a Foreign Language (TOEFL) or International English Language Testing System (IELTS) scores (for applicants whose native language is not English). This requirement is waived for students who have completed a baccalaureate or graduate degree from an institution in the United States.
- An explanatory statement, for those with cumulative GPAs below 3.0.

Selected applicants may be asked for one or more of the following: Complete an interview with the MBA program director and/or admission committee, submit additional academic transcripts or other materials, submit the names and contact information of recommenders, submit written responses to questions.

Applicants should refer to the Graduate Admission website for start terms and specific instructions regarding application deadlines, admission requirements, and application forms. Fulfillment of the admission requirements does not guarantee admission to the program.

Applicants With Post-Secondary Education or Licensure Outside the United States

An applicant with a college or university degree completed outside the United States must submit an official evaluation from World Education Services (WES), as well as original transcripts and official translations of

all documents not in English. All costs related to document translation and evaluation are the applicant's responsibility.

Applicants Who Are International Students

Our MBA program is fully online. Therefore, we are not able to issue a student visa or offer access to federal financial aid to students who are not U.S. citizens or permanent residents. International applicants who are able to fully fund their education with outside funds and do not need student visas are welcome to apply.

Provisional Admission

At the discretion of the Graduate Admission Committee, some students who do not meet all admission requirements at the time of application may be admitted provisionally to the degree program. Examples of grounds for provisional acceptance may include the following:

- Students whose cumulative GPA is below 3.0. Students admitted provisionally due to low GPA must achieve a graduate GPA of 3.0 or better during their first six semester credits in the program.
- Students who are in the process of completing their undergraduate degree. Students admitted provisionally pending successful completion of their bachelor's degree must document completion of their degree by requesting that an official transcript be sent directly to the Office of Graduate Admission prior to beginning graduate classes.

Please contact the Office of Graduate Admission if you have questions about completing the application process, being admitted provisionally, or for further explanation of the process required to change your status from provisional acceptance to full acceptance in the degree program.

This requirement is waived for students who have completed a baccalaureate or graduate degree from an institution in the United States.

Applicants should refer to the Graduate Admission website for start terms and specific instructions regarding application deadlines, admission requirements, and application forms. Fulfillment of the admission requirements does not guarantee admission to the program.

Applicants with Post-Secondary Education or Licensure Outside the United States

An applicant with a college or university degree completed outside the United States must submit an official evaluation from World Education Services (WES), as well as original transcripts and official translations of all documents not in English. All costs related to document translation and evaluation are the applicant's responsibility.

Applicants Who are International Students

Our OTD: Post Professional program is fully online. Therefore, we are not able to issue a student visa or federal financial aid to applicants who are not U.S. citizens or permanent residents. International applicants who are able to fully fund their education with outside funds and do not need a student visa are welcome to apply.

Provisional Admission

At the discretion of the Graduate Admission Committee, some students who do not meet all admission requirements at the time of application may be admitted provisionally to the degree program. An example of grounds for provisional acceptance is as follows:

- students who are in the process of completing their master's degree. Students admitted provisionally pending successful completion of their master's degree must document completion of their degree by requesting that official transcripts be sent directly to the Office of Graduate Admission prior to beginning OTD classes.

Please contact the Office of Graduate Admission if you have questions about completing the application process, being admitted provisionally, or for further explanation of the process required to change your status from provisional acceptance to full acceptance in the degree program.
