

# POST-MASTERS DNP PROGRAMS

---

The Doctor of Nursing Practice (DNP) is a post master's program designed for nurses engaged in advanced practice who want to create change in healthcare delivery at the system's level. Applicants to this program already hold a master's degree in nursing and through a robust plan of study, are well prepared to shape healthcare policy, implement changes in healthcare practice, and demonstrate evidence-based decision making related to healthcare outcomes for individuals and populations.
