

# UNIVERSITY POLICIES

---

Welcome to St. Catherine University's student policies website.

This website contains University-wide policies that pertain to students. Schools, colleges and departments may host non-University wide policies on their own websites. Any copies (print or online) of policies that are inconsistent with the official version hosted on this site should be disregarded. The most current version of University-wide student policies are found on this site.

To find student policies, click on the headings on the left hand side of the page and a list of policies in that area will appear. A search box is also available on the upper left hand side of the page. Questions about individual policies should be directed to the office(s) listed at the top of each policy page.
