Students register during assigned registration periods prior to the start of each term. Registration dates are listed online on the Office of the Registrar website and in Kateway. All degree and certificate program students, with the exception of MSW and DSW students and students enrolled in a program with automatic registration, register online in Kateway. MSW and DSW students register with the University of St. Thomas. Non-degree students must complete a paper registration form.

Students may not attend a class unless they are officially registered for the class. The course will appear on the student's schedule in Kateway as soon as official registration is complete.

Students must adhere to all prerequisite and corequisite requirements unless the requirement has been waived by the department chair or program director. Students request waivers (overrides) to requisites by submitting the Request an Override to Add a Course form, found from the Office of the Registrar forms page (https://www.stkate.edu/academics/academic-resources/registrar/forms). Definitions:

- Prerequisite: must be taken prior to the course
- Prerequisite with concurrency: may be taken prior to OR at the same time as the accompanying course
- Corequisite: must be taken the same term as the accompanying course
- Recommended: not required, but may better prepare the student for the course

Prerequisites, corequisites and other registration restrictions are listed at the end of every course description in this catalog and appear in the online schedule.

Students are cautioned to attend the first class session of each course for which they register, as instructors are free to reassign spaces to students who are present or drop students for non-attendance.
