The expectations below enhance the University's compliance policy as explained in the Student Code of Conduct (http://catalog.stkate.edu/policies/stu-non-acad/comp-griev/code-of-conduct).

Students have the responsibility to comply with the reasonable request of a University staff member (including Resident Advisors) acting within the scope of their duties. This includes opening the door when a staff member is attempting to confront a policy violation, presenting proper identification, managing guest behavior, and communicating accurate information upon request. Ignorance of policies, anger, and intoxication are not acceptable excuses for inappropriate behavior towards a staff member. Mistreatment of any University staff may result in severe disciplinary action.
