**Purpose:** Dining and meal plan policies for commuter students, faculty, and staff

---

## Copper Meal Plan Costs and Billing

All commuter students enrolled in the College for Women will be automatically enrolled in the Copper Meal Plan. The cost of the meal plan is \$100 per semester, giving students 100 meal points to spend in any campus dining facility. Students will be billed on their student account.

## Value Meal Plans

Sodexo offers Value Meal Plans (<https://stkate.sodexomyway.com/dining-plans>) for faculty, staff, and commuter students not enrolled in the College for Women. These plans may be purchased at any time during the year, but they cannot be billed to a student's account. Current plan options and costs are available on the Sodexo (<https://stkate.sodexomyway.com/dining-plans>) website.
