Vision

The Libraries and Archives of St. Catherine University fosters exploration and engagement by providing opportunities – independent and collaborative, curricular and co-curricular, formal and informal – to discover, experiment, and create.

Mission

The Libraries and Archives collaborates in the University's mission to develop ethical, reflective, and socially responsible leaders. We empower our community to be engaged scholars, professionals, and citizens through the cultivation of services, collections, spaces, and experiences. Building on traditional foundations of research and teaching, we facilitate innovative and emerging methods of inquiry, pedagogies, and technologies.
