ADDICTION AND RECOVERY COUNSELING - SPECIALIZATION

The Addiction & Recovery Counseling Specialization is available to any student pursuing a Master of Social Work degree at St. Catherine University. It is a fully optional specialization and replaces the need to take GRSW elective credits in the standard MSW curriculum.

Students pursuing this specialization may need additional practicum hours and should work with their advisor to determine the number of required hours.

Curriculum

Code	Title	Credits
CDC 5000	Foundations of Addiction Counseling	4
