

FAMILY NURSE PRACTITIONER POST-GRADUATE CERTIFICATE

The Family Nurse Practitioner (FNP) Certificate provides a route for nurse practitioners who already hold a graduate degree (MSN or DNP) in nursing with certification in an existing APRN population focus who seek a second area of specialization. Students will build upon their existing advanced nursing practice to gain the knowledge needed to provide primary care across the lifespan. Part-time and full-time plans of study are available.

Code	Title	Credits
