

# PEDIATRIC NURSE PRACTITIONER POST- GRADUATE CERTIFICATE

---

The Pediatric Nurse Practitioner (PNP) Certificate provides a route for nurse practitioners who already hold a graduate degree (MSN or DNP) in nursing with certification in an existing APRN population focus who seek a second area of specialization in pediatric health. Students will build upon your advanced practice nursing knowledge and engage in courses that will prepare you to provide holistic health care to children in primary care settings.

Code	Title	Credits
