

# PEDIATRIC NURSE PRACTITIONER POST- MASTER'S CERTIFICATE

---

The Pediatric Nurse Practitioner (PNP) Certificate option at St. Catherine University provides an educational route for nurse practitioners who already hold a graduate degree in nursing with certification in an existing APRN population focus who seek a second area of specialization in pediatric health. You will build upon your advanced practice nursing knowledge and engage in courses that will prepare you to provide holistic health care to children in primary care settings.
