

ACADEMIC CATALOG

Students, faculty and staff are responsible for all information and deadlines contained in St. Catherine University's academic catalogs.

All statements contained in the catalogs reflect the policies and programs approved by St. Catherine University at the time the catalogs were published. However, for the best possible educational experience of its students, or for unexpected financial reasons, the University reserves its right to change at any time any of the provisions, statements, policies, curricula, procedures, regulations, or fees. Such changes will be duly published and distributed.

For graduation requirements, students should refer to the catalog that was in effect when they entered the University, or a different catalog as approved in accordance with the Applicable Catalog Policy (<http://catalog.stkate.edu/graduate/applicable-catalog/>).

For academic policies, students should refer to the current academic catalog and/or the policies listed on this website.
