St. Catherine University has authorized Parchment to provide transcript ordering via the Web. Students can order transcripts using any major credit card. The credit card will only be charged after the order has been completed. To order an official transcript(s), go to the Office of the Registrar (https://www.stkate.edu/academics/registrar/) website, click on Transcript Requests and follow the directions provided.

A $7 processing fee is charged per transcript. Students whose transcript hold is placed by the Student Accounts Office will have their request reviewed for release of the official transcript. Transcripts are not released if the student has another hold on their record.

Note: Transcripts being sent to a St. Catherine University admissions office do not need to be ordered from St. Catherine University. Admissions will obtain any record internally.
