Dining Services offers six residential meal plans (Platinum, Gold, Silver, Bronze, Chrome and Copper). All resident students are required to be on a meal plan, regardless of college or credit standing. All students enrolled in the College for Women are required to have a meal plan regardless of residential status. Resident meal plan eligibility is dependent on the style of housing and access to kitchen facilities within the living unit. Resident students may upgrade their meal plan at any time. Dining Services operates on limited hours during break periods.
