ST. CATHERINE UNIVERSITY LIBRARY

The library serves the research and information needs of the University's students, faculty and staff. The library provides professional research assistance, computer workstations, comfortable study space and convenient hours. The collections of the library include more than 200,000 print and e-books, 65,000 print and online journal subscriptions and multimedia materials that support the academic and research needs of the community. Additionally, the library provides access to the collections of five other private college and university libraries in the Twin Cities through membership in the Cooperating Libraries in Consortium (CLIC), as well as nationally and globally through interlibrary loan.
