ASSOCIATED COLLEGES OF THE TWIN CITIES (ACTC)

As part of the Associate Colleges of the Twin Cities (ACTC), St. Catherine University offers its degree-seeking students enrolled in the College for Women the possibility of registering for courses at Augsburg University, Hamline University, Macalester College, and the University of St. Thomas. St. Catherine University College for Women students may cross-register through the ACTC subject to the following guidelines:

• Students must be registered for at least eight semester credits at St. Catherine University and their semester registration must total at least 12 credits, including the exchange credits.
• Only one course per semester may be taken on an exchange basis. Additional exchange courses are permitted as exceptions when required for the student’s ACTC major.
• Students may not cross-register for a course that is offered on their home campus.
• For ACTC exchange courses in the major and minor, students must gain written approval of their home campus department chair.
• Students are encouraged to request ACTC registration via the ACTC C (https://stkate.app.box.com/s/ fot4f896ia4swa4kgje0pix2m3f9zf1n/) cross-Registration form (https://stkate.app.box.com/s/fot4f896ia4swa4kgje0pix2m3f9zf1n/) during priority registration. Requests may still be submitted after priority registration but options may be limited due to seat availability.
• Students contemplating a major on another campus must discuss their plans with their academic advisor on their home campus. In particular, students should make sure their proposed major follows the guidelines established for majors at their home campus (including but not limited to minimum credit and grade requirements) and that they will be able to meet all other requirements (e.g., liberal arts core) at their home institution.

Courses available through the ACTC are listed on each institution’s website. Links to the ACTC institutions’ websites are included on St. Catherine University’s Office of the Registrar website (https://www.stkate.edu/academics/registrar/). The ACTC exchange operates only during the fall and spring semesters and not during January term or the summer.

Additional information can be found on the ACTC FAQ page (https://www.stkate.edu/academics/registrar/actc-faq/).

Majors Available Through ACTC

The following major fields of study are available to St. Catherine University College for Women students through the cooperating agreement with the other institutions of the ACTC. Students who pursue a major at an ACTC institution will earn the Bachelor of Arts degree from St. Kate's. St. Kate’s students seeking more than one major must complete one of their majors at St. Catherine University. Students should consult the Baccalaureate Major Requirements (http://catalog.stkate.edu/undergraduate/progress-toward-degree-graduation/baccalaureate-major-requirements/) catalog page for rules that apply to any majors taken at other ACTC schools.

The abbreviations to the right of the major indicate which ACTC institution offers that major.
