

CREDIT FOR PRIOR AND ALTERNATIVE LEARNING (CPAL)

Our Credit for Prior and Alternative Learning (CPAL) program is a pathway to earn S-graded transfer credit for learning that is not already documented as a credited and graded course on a U.S. regionally accredited college/university transcript.

Students may earn up to 12 CPAL credits via successful completion of a portfolio evaluated by a St. Catherine University faculty member.

For more information on the CPAL options or to see pre-approved courses and examinations on our transfer guides, visit our Transfer Students website (<https://www.stkate.edu/admission-and-aid/transfer/>).
